

Ministry Report – 2022 (Summary)

1. Vision and Mission

Our Primary Purpose is God's Primary Purpose

'To Be a Local Church that Jesus Builds ... dwelling in the revelation that Christ brought, we will seek to declare, represent and demonstrate God's Kingdom rule, together as ONE ... ON EARTH as it IS IN HEAVEN'

God gave us ONE Great Commission with THREE Great Commitments

- A Growing Commitment to Heaven (Intimacy with Father God)
- A Growing Commitment to the Lost (The Focus of Jesus' Love)
- A Growing Commitment to Disciples and Discipling
(The Holy Spirit Empowered Task)

Jesus Builds HIS Church – it's a supernatural quest because the church's FOUR PILLARS (or UNCLIMBED PEAKS) must be addressed simultaneously – a heaven-initiated pursuit that needs more and more of Jesus.

1. PILLAR of PRAYER (Oneness – in accord with Heaven)
2. PILLAR of CARE (Holiness – Jesus' redemptive love)
3. PILLAR of PREPARE (Fullness – Jesus' equipping strategy)
4. PILLAR of SHARE (Completion – Jesus incarnate)

..... and the gates of hell will not prevail against it.

2. Where are we and what now?

Executive Summary

- ✓ It has been a year of consolidation and sorting
- ✓ We started work on 'strengthening the stakes and lengthening the ropes' as per the word we received from heaven about the FOUR (4) Pillars (Isaiah 54) towards establishing a solid HUB home base for Jesus to build the church (weapon against the gates of hell) upon, in the following ways which are present and continuous
 - Taking responsibility for hosting regional strategic prayer initiatives

- Releasing gifts from the body to serve a growing number of churches and mission outposts
- Initiating a few planting experiments, forays into spheres or people groups beyond our usual fields
- Intentionally re-establishing some specific community relationships (ministers, churches, schools, community organizations, ministries, businesses)
- Further developing a unique, flexible, and prophetic music ministry as a kingdom advancing tool
- Continuing to develop a Spirit-led weekly set of gatherings that don't despise gifts and anointing, open their heart to pilgrims looking for a home or at least a place to rest and/or recover, all the while staying the course aligned with heaven, and God's primary purpose, seeking to play the part we've been asked to play

All of these highlights have largely been catalysts for establishing a stronger foundation for us to confidently IN Christ, step whole heartedly into this season that we are now referring to as 'The SEED for Sustainability'.

✓ **The SEED for Sustainability (2022-23)**

- The first phase of this sustainability work is about Leadership re-framing and development known as the ..
